Steps to a Successful Logoed Hard Hat Order with MSA

1. If the order is for an EXISTING LOGO with MSA:
 - We will require the BL# to process the order. A BL# is a 5 digit number which MSA references to an existing logo in their system. If you do not have the BL#, MSA's Logo Express Team (logo.express@msasafety.com) can assist you. If you have a copy of the logo or a picture of the logoed hard hat, this can help them identify the BL#. Lead time is approx. 5-7 business days to manufacture plus shipping.
2. If the order is for a NEW LOGO with MSA:
 - Provide a high resolution logo (400 dpi or higher). Typically a PDF, .eps or .ai file will be high resolution. If you are having trouble finding one, please contact other vendors who may do decaling for you or any type of marketing material or business cards.
 - Upon receiving a copy of the signed proof, the lead time is approx. 7-9 business days to manufacture plus shipping.
